

ADVENTURE PROJECT TESTERS DOCUMENT

By signing this document, I promise that any comment or criticism I give is free of any bias both good and bad. In addition, I will not tamper with or steal the original code or concepts within.

Tester's Name: Haley Collins

Date of Testing: 8/9/2021

Tester Name: Haley Collins
Tester Findings and Comments: The program was fun, it worked well, and as far as I could tell did what it was supposed to when prompted to do it. My only issue that I found was that the text was a little hard to read at times but other than that, it was a fun game.
