ADVENTURE PROJECT TESTERS DOCUMENT

By signing this document, I promise that any comment or criticism I give is free of any bias both good and bad. In addition, I will not tamper with or steal the original code or concepts within.

Tester's Name: Chris Collins

Date of Testing: 8/13/2021

Tester Findings and Comments:
- Overall an enjoyable experience
- Content was compelling and made the user want to continue to "beat the game"
- Format was easy to read with clear instructions
- A few grammatical errors in the text but nothing egregious
- Expected to go through labyrinth and have to remember route or draw it out; might be a nice addition in next version
